Order R. O. C. No. 2770/41/Rev., dated Trivandrum, 29th May 1941.

1. Prior to 1921 the Dewan Peishkars were in responsible charge of the revenue work in their respective divisions subject to the supervision and control of Government. In 1921, Government sanctioned the appointment of the Land Revenue and Income Tax Commissioner and made him the head of the Land Revenue Department. With the creation of the post of the Land Revenue and Income Tax Commissioner a portion of the work which was being done in the Revenue Secretariat was transferred to him. Certain administrative and executive powers were also conferred on him. The duties and powers of the Land Revenue and Income Tax Commissioner have been specified in G. O. Dis. No. 795/21/Rev., dated 26th August 1921.

In the year 1922, Government sanctioned the constitution of a separate Devaswom Department for the better administration of Devaswoms. By this arrangement the powers and duties assigned to the Land Revenue and Income Tax Commissioner and those vested in the Division Peishkars and Tahsildars connected with the administration of Devaswoms were transferred to the Devaswom Department.

Till 1938 the Land Revenue Department was attending to the Income Tax work also. In 1938 a separate and self contained Income Tax Department was created for the working of the Income Tax Act, the Division Peishkars, Assistant Peishkars and Tahsildars being divested of all Income Tax work.

The general control of the Divisional and Sub-Treasuries and administration of the rules relating to their working have now been transferred to the Financial Secretary to Government.

By a recent order of Government the Credit Bank has been directed to take up the work of granting agricultural loans and the Land Revenue Department has therefore been divested of the work in connection with the same.

2. Having regard to the above administrative measures relieving the Land Revenue and Income Tax Commissioner of the duties connected with the Devaswoms, the Treasuries and the grant of agricultural loans His Highness' Government consider that there is no special necessity for the continuance of the post of the Land Revenue and Income Tax Commissioner. They therefore sanction the abolition of the post of the Land Revenue and Income Tax Commissioner and order the readjustment of the revenue and income tax work as follows:—

(1) At present, of the 30 taluks in the State, only 15 are constituted into revenue sub-divisions and placed under the charge of the Assistant Peishkars, the remaining taluks being under the direct control of the Division Peishkars. Government consider that the 15 taluks now under the direct control of the Division Peishkars should also be transferred to the Assistant Peishkars. When this is done the Division Peishkars will be relieved of certain items of revenue work now exercised by them in respect of the taluks under their direct control. They accordingly direct that the several taluks in the State be reconstituted into seven Revenue sub-divisions as shown in the annexure No. I appended to this order and placed in the exclusive charge of the respective Assistant Peishkars. The Assistant Peishkars will exercise in respect of the taluks now placed under their charge the powers and functions already vested in them. Sanction is also accorded to the investment of the following additional powers on the Assistant Peishkars:—

(a) To dispose of escheat cases.

(b) To exercise the powers of a Division Peishkar under the Viruthi Rules.

(c) To exercise the powers of the Division Peishkars under the Cardamom Rules for passing preliminary orders of registry if the land applied for is below 25 acres and confirming auction sales.

(2) The Division Peishkars will be responsible to the Government for the proper and efficient administration of all matters connected with Land Revenue in their respective Divisions and will continue to have jurisdiction and control over matters not specifically delegated to the Assistant Peishkars in all the taluks of their Divisions.

Government also sanction the following additional revenue and administrative powers being delegated to the Division Peishkars besides those exercised by them at present :—

(i) To entertain and dispose of appeals from original decisions or orders of the Assistant Peishkars in the following matters:—
  (a) Pudaval cases.
  (b) Escheat cases.
  (c) Karampathippu cases.
  (d) Decisions or orders under the Cardamom Rules.
  (e) Decisions or orders under the Kuthagapattom Rules.
  (f) Decisions or orders under the Viruthi Rules.

(ii) To exercise all the powers now vested in the Land Revenue Commissioner under the Waste Land Rules.

(iii) To dispose of objections to the selection of lands for assignment under the Land Colonisation Rules.

(iv) To refuse permission for the institution of civil suits relating to Kandukrishi lands where the application is not allowable under the standing orders of Government.

(v) (a) To pass preliminary orders of registry under the Cardamom Rules, if the land applied for is above 25 acres but does not exceed 50 acres in extent.
  (b) To confirm the auction sales of lands under the Cardamom Rules when the extent exceeds 25 acres but does not exceed 50 acres.

(vi) To sanction recommendations that the alleged settlement mistakes are not mistakes and so require no rectification.

(vii) To sanction payments within budget limits of amounts to be deposited in civil courts in satisfaction of decrees against the Government.

(viii) To incur expenditure under 'Law Charges' up to Rs. 100 in each case, provided there is provision in the budget.

(ix) To order payment of arrears of Thiruppuvaram, Jenmibhogam, etc., where they are not a fresh charge on Government.

(x) To sanction all kinds of non-seasonal remissions now exercised by the Land Revenue Commissioner under the Rules.

(xi) To sanction estimates for works in Markets up to Rs. 500 each.

(xii) To exercise the powers of the Head of a Department under G. O. R. Dis. No. 939/32/Judl., dated the 6th April 1932, relating to the disposal of notices of suits sent to Government under Section 65 of the Civil Procedure Code.

(xiii) To cancel the Divide Sketches under Rule I Part (iii) of the Land Records Maintenance Rules.

(xiv) To confirm, promote, etc., subordinates up to the grade of Rs. 40-70 and also to make acting appointments in the scale of Rs. 40-70 for vacancies not exceeding 4 months.

(3) The Division Peishkars shall hereafter send to Government on the dates prescribed the periodical returns as per annexure No. II appended.

In the case of monthly statements of D. C. B. of Land Revenue and Irrigation Revenue, the Tahsildars will submit to the Division Peishkars a copy of the monthly statement together with a copy of the C. Memo. explaining the balance simultaneously with the despatch of the statements to Assistant Peishkars on or before the 6th of the succeeding month. The Division Peishkars will issue a consolidated review on these statements and forward a copy thereof to the Assistant Peishkars and Tahsildars on or before the 20th of the succeeding month. A copy of the review should also be submitted to Government. Government do not consider it necessary that the Assistant Peishkars should issue any review of the D. C. B. statements sent to them by the Tahsildars. It is however open to them to issue instructions to the Tahsildars wherever they consider it necessary to ensure prompt collection. The Government will issue a consolidated review on those statements quarterly.

(4) The duties now devolved on the Land Revenue Commissioner in the following matters will in future devolve on the Government.

(i) Preparation of the Annual Budget Estimates of Receipts and Expenditure of the Land Revenue Department.
(ii) Preparation of Annual Report on the administration of the Land Revenue Department.
(iii) Consolidation of the Annual Thavaramndakkom accounts.
(iv) Check of receipts of Land Revenue and the reconciliation of departmental and treasury figures under Article 242 of the Financial and Account Code.

(5) The revision powers delegated to the Land Revenue Commissioner under Section 50 of the Revenue Recovery Act as per Notification Dis. No. 1871/24 Rev., dated 17th December 1924 will in future be exercised by the Dewan. To enable this being done a Notification cancelling the previous Notification will be published in the Gazette.

(6) Both the Land Revenue Commissioner and Government now exercise revision powers as per the rules issued under Section 14 of the Land Conservancy Act. Government consider that the powers of revision under the Land Conservancy Act need hereafter be exercised by the Dewan only.

(7) The Land Revenue Commissioner is at present the State Jenmikaram Settlement Officer also. The work of Jenmikaram Settlement is nearing completion. The Chief Secretary to Government will be the State Jenmikaram Settlement Officer and will exercise the powers of revision under Rule 18 of the Jenmikaram Settlement Rules.

(8) The appellate powers now vested in the Land Revenue Commissioner under Rule 14 of the Edavakai Settlement Rules will be exercised by the Division Peishkar, Kottayam.

The necessary Notification amending these Rules will be published in the Government Gazette.

(9) The Deputy Commissioner of Income Tax will continue to exercise the existing powers vested in him.

(10) Appeals against the original orders of the Deputy Commissioner and also revisions will lie to the Chief Secretary to Government for the time being or such other officer as may be designated from time to time, who will be invested with the powers of a 'Commissioner' and 'Chief Revenue Anthority' under the Income Tax Act. The temporary additional Income Tax Collector will work under the orders of the Chief Secretary to Government or the other officer referred to above.

(11) Government sanction the Survey Department being treated as a separate Department under Government.

3. Sanction is also accorded to the abolition of the following posts in the office of the Land Revenue and Income Tax Commissioner.
